

## Care Instructions for Outdoor Products

Following these care instructions will help maintain the quality and durability of your garden accessories. For specific concerns, contact our customer support team. Enjoy your outdoor space with well-maintained accessories!

**Cleaning:** Regularly clean garden accessories using mild soap and water. Use a soft cloth or sponge to gently remove dirt, dust, and stains. Avoid using harsh chemicals or abrasive cleaners.

**Weather Protection:** Protect accessories from extreme weather conditions. Store or cover accessories during heavy rain or direct sunlight.

**Rust Prevention:** Apply a rust-resistant coating or wax to metal accessories. Wipe off excess moisture or water to prevent rust formation.

**Upholstered Items:** Brush off dirt and debris from upholstered cushions. Follow manufacturer's instructions for cleaning and maintenance. Use protective covers or store cushions indoors when not in use.

**Wood Care:** Inspect wooden accessories for wear, cracking, or splintering. Apply a protective wood sealant or oil. Avoid placing wood directly on damp or wet surfaces.

**Proper Storage / Seasonal Storage:** Store accessories in a clean and dry area when not in use. Preferably indoors or in a well-ventilated shed or storage space.

**Regular Maintenance:** Periodically inspect for damage, loose screws, or worn-out parts. Replace damaged or worn-out parts promptly.
